

PLURALSIGHT

LIVE LIVE LIVE

AUGUST 27-29 | SLC, UT

Hi \_\_\_\_\_,

I'm interested in attending [Pluralsight LIVE](#) this year, which takes place August 27-29 in Salt Lake City, Utah. Since I started using Pluralsight to build new skills, it's really made a difference. Attending the conference will enable me to:

1. Learn more about the Pluralsight platform, so I can develop my skills more effectively
2. Learn from experts, authors and other Pluralsight customers
3. Ask specific questions and come back armed with more knowledge about how to align Pluralsight to our team's objectives

**I've already done the math:**

CONFERENCE PASS: \_\_\_\_\_

AIRFARE: \_\_\_\_\_

HOTEL: \_\_\_\_\_

FOOD & MISC: Food is covered by the conference

TOTAL ESTIMATED COST: \_\_\_\_\_

I think LIVE will provide a lot of value to our organization, especially to our team. After attending, I'll circulate a report that will include things I learned at the conference, to help our team be even more productive with the Pluralsight platform.

Please let me know if you approve of this request, so I can make arrangements. I'm happy to talk about this offline too if you have questions or concerns.

Thanks!

\_\_\_\_\_
